

FITR

CREATING A GROUP ROLLING CALENDAR PROGRAM

All subscribed clients follow the same programming on the same calendar dates.

1. Select “Group Rolling Calendar program”.

2. Add program details including its name, price and description.

The screenshot shows the FITR 'Create your program' interface. At the top, there's a navigation bar with 'FITR', 'Programming', 'Clients', and 'Storefront'. Below this, the 'Create your program' section has a 'Help article' and a 'Video - 2m' button. The main form includes: a 'Program name' field with a placeholder 'Add program name'; a 'Create custom program URL' field with a placeholder 'app.fitr.training/p/'; a 'Program type' dropdown menu set to 'Group Rolling Calendar'; a 'Price' section with a 'Set price' button and a 'Trial period' field set to '0 Days'; a 'Launch date' field set to '14 May, 2024'; and a checkbox for 'Skip program sales page creation' with a 'Learn more' link. At the bottom, there's an 'Overview' tab.

3. Once the program information is complete, click "Next" to start programming.

5. Inviting clients using the below options will provide instant access to the program once they subscribe.

Option 1: Email

Simply send a link to the program via an email. Type in the address and click "Send email invite".

Email

Client's email

Send email invite

Option 2: Program URL

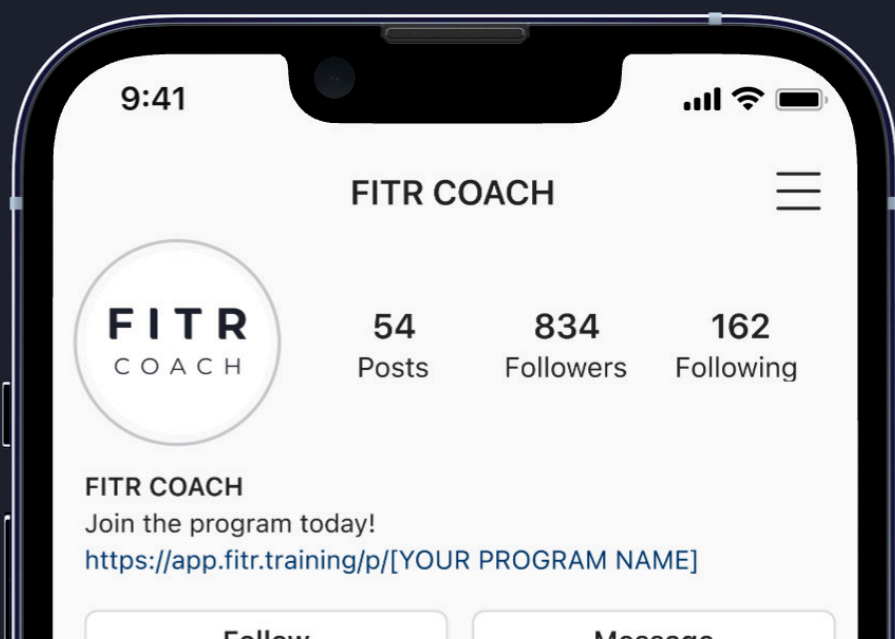

Just click "Copy link" and then paste the unique URL. Then click "Next".

Copy This URL to Share

[https://app.fitr.training/p/\[YOUR PROG...\]](https://app.fitr.training/p/[YOUR PROG...])

Copy link

The URL method is a great way to draw potential clients to your program without any admin. Once there they'll be guided on how to subscribe.

Copy your program's unique URL and share it anywhere you want. E.g. email lists and social media.
